Pricing a service ending in burial

This document contains information about Burial costs. There are many options available to you. You are also able to review our General Price List at the Funeral Home. The General Price list is a comprehensive list of the services and merchandise that make up the cost of a funeral. Please contact us if you have questions, need additional information, or you find that this is overwhelming.

Burial Costs range from \$3,805 to \$25,430.

If you choose Burial, there are many options available to you, including:

Immediate Burial – The person is buried or entombed at the cemetery of choice. You choose a casket and outer burial container (if one is required). No service is held.

Memorial Service – The person is buried or entombed before visitation and service. You choose a casket and outer burial container (if one is required). You can choose to have time to gather at the funeral home to “say your good-byes” before the person is taken to the cemetery. The Memorial service is held at the funeral home, your place of worship, or other place of significance. You can choose to have a complete Life Story Printing Package consisting of a personalized group of printed items from a memory book to acknowledgement cards.

Standard Service – The person is embalmed and placed in a casket you have chosen. You choose a casket and outer burial container (if one is required). A public visitation and service are held prior to burial / entombment. The service is held at the funeral home, your place of worship, or other place of significance. You can choose to have a complete Life Story Printing Package consisting of a personalized group of printed items from a memory book to acknowledgement cards.
