Pricing a service ending in cremation

This document contains information about Cremation costs. If you choose Cremation, there are many options available to you. You are also able to review our General Price List at the Funeral Home. The General Price list is a comprehensive list of the services and merchandise that make up the cost of a funeral. Please contact us if you have questions, need additional information, or you find that this is overwhelming.

Cremation Costs range from \$2,320 to 11,005.

If you choose Cremation, there are many options available to you, including:

Direct / Immediate Cremation – The person is cremated and his / her cremated remains are returned to family in a temporary container. You can choose to purchase a different urn. No service is held.

Memorial Service – The person is cremated before visitation and service. You can choose to have time to gather at the funeral home to “say your good-byes” before the person is taken to the crematory. The service is held at the funeral home, your place of worship, or other place of significance. You can choose to have the urn of your choice present at the service or not. You can choose to have a complete Life Story Printing Package consisting of a personalized group of printed items from a memory book to acknowledgement cards.

Standard Service – The person is embalmed and placed in a specially designed casket for cremation. A public visitation and service are held prior to cremation. Following the Cremation, the cremated remains will be placed in the urn of your choice. The service is held at the funeral home, your place of worship, or other place of significance. You can choose to have a complete Life Story Printing Package consisting of a personalized group of printed items from a memory book to acknowledgement cards.
